Getting Started

Creating an account

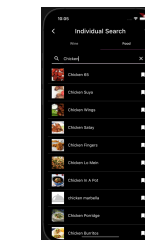

1. Open the app drawer
2. Touch Sign in
3. Touch “Don’t have an account? Create account”
4. Enter the following information:
 - First Name
 - Last Name
 - Date of Birth
 - Phone Number
 - Email address
 - Password of your choice

What to do next?

Search for a item

1. On the home screen, under search, select the individual button
2. On the top tab bar, choose wine or food. This will search for a wine or a food based on your search
3. Enter your search in the search bar
4. Enjoy your results!

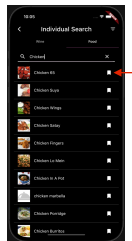

Search for a pairing

1. On the home screen, under search, select the individual button
2. On the top tab bar, choose wine or food. This will mean that you will be entering a wine or a food as the parameter for your search. Your result will be the pairing to that item type
3. Enter your search in the search bar
4. Enjoy your pairings!

Save an item

1. In your search results, touch the bookmark icon beside the result that you wish to save
2. Boom, your result is saved!

View saved items

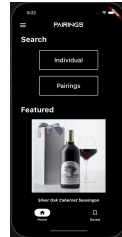

1. On the home screen, locate the bottom navigation bar
2. Select saved
3. On the top bar, select the type of saved results you would like to see (individual items or pairings)
4. View your saved items
